

GLOBAL
SOURCING
EXPERTISE

Passionate About Partnership

We are an **experienced and expert global sourcing partner**. Our services include streamlined supply chain management, raw material stewardship and inventory cost control. Main markets served are; Pharmaceutical, Medical Device, Food Ingredients, Agricultural as well as Industrial Chemicals.

Headquartered in Dublin, Ireland and with over **50 years of experience**, NCC is a global leader in specialty chemicals. Our customers include some of the largest companies in the world and our suppliers are amongst the most respected.

We are focused on delivering research based solutions to our clients which results in delivery of high quality raw materials at competitive market prices.

At NCC we are committed to operational excellence with a robust quality management system operated by committed individuals dedicated to getting materials to you on time, and in full. We have an in-house Compliance Department ensuring peace of mind with all regulations regardless of your location.

By utilising our services and benefiting from our years of expertise, you can reduce your company's supply chain risk in confidence. Meaning that you can focus on growing your business, secure in the knowledge that committed professionals are securing your supply chain.
